MESSAGE FROM THE YAEP PRES:

Happy May Day everyone!

I want to thank all the members that attended the AGM on Saturday. Whether it was in person or by proxy, your attendance was essential to getting our work done.

You attended and participated in a meaningful manner, this is important to note as it was such a lovely weather day. The agenda was full, and the conversation was robust and respectful.

I am happy the AI translation app worked for those that used it and I was so happy to watch colleagues reconnect.

Enjoy the warmer weather and I hope you have a great month of May. (For some of you, the last month of school.)
