**MESSAGE FROM THE YAEP PRES:**

*Welcome back all Educators!  
 We start school in August for obvious reasons in the Yukon. Autumn weather begins here in August as well as the seasonal fall activities that traditionally happen in all our communities.  
 I hope all of you have settled into your classrooms and/or assignments. As you cast your gaze upon your students the sense of responsibility really hits home. It is very important to take that responsibility seriously as your students, parents and community rely on you.  
 As your students rely on you, you rely on the YAEP. As bargaining unfolds in September, you will be hearing more from us and the negotiations committee.  
 I want to share an important update that relates to bargaining, this past summer the Dept of Education attempted to circumvent the bargaining process, looking to alter the job description and working conditions of our Educational Assistants. Rest assured we will hold our employer responsible to stay within the respected boundaries of the bargaining process.*

*Have a great start to the new school year everyone.*
