**LETTER OF UNDERSTANDING “K”****ONE-TO-ONE MODEL**

Article 42 of the collective agreement provides that the Employer and the Association will discuss changes in the manner in which employees are required to carry on their work because of the introduction of equipment that is different from that previously in use. As per Article 42, the parties agree to the following Letter of Understanding:

The Employer and the Association have discussed the Employer’s ‘one-to-one’ model for providing mobile devices (lap-tops and iPads) for teachers, not including Teachers on Call, to use in Yukon schools, and have reached the following understandings:

2. The key components of this leasing model will be as follows:
  - a. The Employer intends to enter into a three-year lease arrangement for the mobile devices, and to replace the devices at the end of each three-year lease period.

3. Teachers who do not choose to participate in the cost-sharing option will be provided with access to comparable (but not necessarily mobile) equipment available for their use in the school.

The Employer will ensure that teachers receive the necessary training and support to allow them to use mobile devices effectively in their classrooms, including ongoing support from the Department of Education’s Technology Assisted Learning and Information Technology Support Services units.

4. Teachers who choose to participate in the cost-sharing option may request support from the Technology Assisted Learning and Information Technology Support Services units with respect to the personal accounts on their leased mobile devices.
