**COMMITTEE MEMBERS NEEDED!**

Your Association is looking for members to join the following committees to help guide and provide input:

**Building Committee:** The new YAEP building is moving forward and set to break ground next year! Any new members who wish to join the committee can contact YAEP Treasurer Jason Cook at [treasurer@yaep.ca](mailto:treasurer@yaep.ca).

**PD Committee:** We need members, who work in all positions, to form a dynamic group who will shape Professional Development for members in the 2022-2023 year. Rural members are welcome! The Committee meets twice a month, usually 1.5 hours, along with 2 full PD Planning Days – one in Fall and one in Spring. If you're interested, we'd would love to hear from you! Send your name to PD Chair Steve Fergusson at [pd@yaep.ca](mailto:pd@yaep.ca).

**Safety Committees:** These committees provide a forum for employees and management to work together to solve health and safety problems. An effective committee can help prevent injury and illness on the job; increase awareness of health and safety issues among workers; and develop strategies to make the work environment safe. **Please don't delay setting up your safety committee, do it now!** Each school should forward the names of their safety chair, committee members, and meeting minutes taken throughout the year, to YAEP's ERA, Doug Rody at [era2@yaep.ca](mailto:era2@yaep.ca).

**'IN THE LOOP':** YAEP sends timely, important information related to your employment. You can now sign up online via the front page of our website under the section YAEP Business Forms.
