## CTF/FCE – 2022 NATIONAL STAFF CONFERENCE

Please be informed that most of YAEP office staffs are out-of-town this week to participate in the 2022 National Conference. This 2 1/2-day professional development conference reunites colleagues from across the CTF/FCE Member and Associate Organizations to create lasting connections, share ideas, and take advantage of learning opportunities. The theme for this year is **“Stronger Together. Progresser ensemble.”** reflects the solidarity throughout the membership and the collective work dedicated to strengthening publicly funded public education.

Are you ready for something more in your professional life?

Are you looking for a larger, more global view of education?

As a teacher, do you feel you have more to offer and more to learn?

Are you ready for a personal and professional adventure?

## IF YES, JOIN PROJECT OVERSEAS!

For more details on how to apply for Project Overseas 2023, visit the YAEP website: <https://www.yaep.ca/index.php/project-overseas> or contact Michelle at [admin@yaep.ca](mailto:admin@yaep.ca).
