They have also updated the James Smith exhibition and their exhibition on the Discovery of Gold on Bonanza Creek is continuing until the end of the year. IN THE LOOP is a mailing list of our members who wish to receive timely important information from the Association. This week there were 2 emails sent to those who are signed up. If you would like to have your *personal* email added, please email Denise at admin@yta.yk.ca.

BRING THE MUSEUM INTO YOUR CLASSROOM: Get ready for some rousing adventures in science discovery.
