JOIN TEAM CANADA CHAMPION CHATS:

Students from across the country will connect directly to some of Canada's most inspiring athletes to be empowered to pursue their personal level of excellence and embrace what it means to be a champion.

Teachers will receive accompanying:

- 60-second inspirational messages and lessons from world-class Team Canada athletes.
- Discussion questions to start important conversations in the classroom.
- Reflection templates for students to further their understanding of the topics.
- Plus additional resources to get teachers and students into the spirit of the Games.

Sign up for FREE at championchats.olympic.ca

SUB-ASSOCIATIONS: March 1 is the deadline for submitting funding proposals. Emails are on their way to the current sub association chairs. If you would like further information, please contact the PD office at pd@yaep.ca or 668 6777 ext 1.

VIRTUAL ROCKS AND MINERALS WORKSHOP FOR YOUR CLASS!

Nature.ca is ready to take you and K-7 students on some rousing adventures in science discovery. They bring the museum right to you, whether your classroom is in school or completely virtual. For more information or to book a session, visit nature.ca

FIRST NATION ARTWORK CONTEST: First Nations children (up to age 14) and First Nations youth (aged 15 to 30) currently attending school are invited to submit videos and artwork that tell stories of their First Nations cultures and everyday life. For more details, visit <https://fneaa.ca/storyteller-adisokekewinini-prize-draw-and-contest/>. The due date for submission is now February 11, 2022.
