Membership is open to any person who is a member of the bargaining unit and who has paid membership dues in the current school year.

Only members may vote, run for, or hold office in the Association and only indeterminate employees are eligible to run for the office of President, Vice President, or Professional Development Chair.

## Membership Duties

The YTA was set up to serve and provide a voice for its members. However, to be most effective, it is important for Members to respect YTA's policies, and to participate in their development as well as other organizational activities.

As outlined in YTA's policy on Membership and Duties, all members shall:

- b) Lend their support to their professional organization. If views are at variance, members first seek changes from within the organization.

- d) Honour commitments made on their behalf when the Association represents them at their request.
- e) Respect duly constituted picket lines at their work sites.
- f) Not undertake any duties performed by non-YTA personnel during strike action at educational sites nor will they expect students to perform these duties.

- h) Recognize, as a professional responsibility, service to the Association at the local and professional levels.
- i) Seek the advice of the Association concerning any problem relationship with colleagues that cannot be resolved by personal discussions.
- j) Be free to take employment within the various school areas during negotiation and conciliation procedures, except in an area which has been declared by the Yukon Teachers' Association to be "in dispute". Members shall not apply for, or accept, positions in an area which has been declared to be "in dispute" and, furthermore, all members who have made application shall request the return of their application forthwith. Members who knowingly accept positions may be subject to disciplinary action.

## Membership Fees

## History of YTA

In the spring of 1955, a group of teachers in Whitehorse, led by Mary Gartside, formed the Whitehorse Teachers' Association. Later that year the first Teachers' Institute was held in the Yukon in an attempt to organize a professional Association for all Yukon teachers. As a result of the meeting, the Yukon Teachers' Association was formed on October 4, 1955 with sixty charter members. Alice Homewood Elston became the first president. The society was registered under the Societies Act of Yukon almost four years later on June 26, 1959.

### *Additional notable dates:*

- 1960 The YTA fought and won the right to negotiate with the YTG on matters of salary. Also, a program was established to help teachers gain further education through government allowances to cover fees, textbooks and travel, and by providing educational leave.
- 1962 The right of tenure was written into the Education Ordinance.
- 1964 The Yukon teachers entered a pension scheme when the Federal Civil Service Retirement Plan was made available to them.
- 1969 The YTA became a full member of the Canadian Teachers Federation.
- 1970 Provision was made for the appointment of a part-time secretary and a permanent office.
- 1971 The Central Council was established to provide for a wider representation and to serve as a steering body of the Association.
- 1971-74 The YTA adopted a Code of Ethics, established two student scholarships, provided for the development of specialist groups within the Association and attained the right to Joint Consultation meetings with the Department of Education.
- 1977 The President of the YTA was granted half-time leave from teaching duties to devote to Association business.
- 1980 The Presidency became a full time position.
- 1985-90 The Association was actively involved in the preparation of a new *Education Act* that was proclaimed in 1990 along with a *Teaching Profession Act*, which the Association had worked for since 1974. With these new Acts, Yukon teachers gained the abilities to negotiate working conditions and to develop their professional rights and responsibilities more fully. The *Teaching Profession Act* also set out the framework for the YTA (its objectives and structure). It was no longer governed by the *Societies Act*.
- 1991 In August, YTA moved into their newly purchased office building at 2064 Second Avenue.
- Early 90's The inclusion of paraprofessionals and aboriginal language instructors made the YTA unique among the CTF affiliates.
- 1996 The Association hired its first Executive Director.
- 1998 A group of retired YTA members founded the Yukon Retired Teachers' Alumni (YRTA).

- 2001 YTA members voted in favour of job action. Rotating strikes began in late February and a tentative agreement was reached in early March.
- 2002 The Education Staff Relations Act (ESRA) arose from the scheduled ten year review of the Education Act. The ESRA effectively addresses the labour relations for the YTA employees of the Department of Education.
- 2003 The Alice Elston Award was created as a special recognition to those who have given meritorious service to the YTA and/or the teaching profession and education.

## Governing Documents

### ***Teaching Professions Act***

The Yukon's *Teaching Professions Act*, passed in the late 1980's, set out in legislation the objectives of YTA, and a framework for its structure.

This Act defines the Association's powers, outlines its membership categories and how fees will be collected, identifies that Bylaws can be created by YTA and specifies that membership meetings shall be held at least once a year.

The Act also put into law the requirement for YTA to develop a Code of Ethics and establish a Discipline Committee.

The Act also requires that the Minister of Education consult with YTA on any educational policy that affects YTA members.

### ***Education Act***

The *Education Act* defines the roles and responsibilities of all partners involved in the education of Yukon students. The Act includes sections on: territorial administration; students and parents; school operations; Yukon First Nations; French language and separate school rights; school committees, councils and boards; appeals; teachers; finances; and bargaining agent.

The act identifies the following roles for YTA:

- YTA has a seat on the Teacher Qualification Board and helps select a professional educator for this same board;
- YTA nominates two people to Teacher Certification Board;
- YTA will be involved in any review of the *Education Act*;
- YTA is the bargaining agent for teachers.

For a copy of the Act, visit [www.gov.yk.ca/legislation/acts/education\\_c.pdf](http://www.gov.yk.ca/legislation/acts/education_c.pdf)

### **Education Labour Relations Act**

This act establishes the Yukon Teachers Labour Relations Board and defines a number of things related to collective bargaining. This includes information on how bargaining rights are acquired and terminated; what collective bargaining involves; how disputes are dealt with; how grievances will be adjudicated; and parameters for strikes and lockouts.

This Act affirms that YTA is the current bargaining agent for teachers.

For a copy of the Act, visit [www.gov.yk.ca/legislation/acts/](http://www.gov.yk.ca/legislation/acts/)

### **YTA Bylaws**

YTA has Bylaws that further govern how it operates. The Bylaws include sections on the following matters:

- Membership
- Finances
- Meetings
- Executive
- Conflict of Interest
- Indemnification
- Central Council
- Officers & Duties
- Committees & Sub-Associations
- Elections & Voting
- Limitation of Power
- Discipline

The Bylaws can only be amended by the membership at General Meetings by extraordinary resolutions. Such resolutions require 21 days notice to members and at least 75% of members voting at the meeting must approve the resolution.

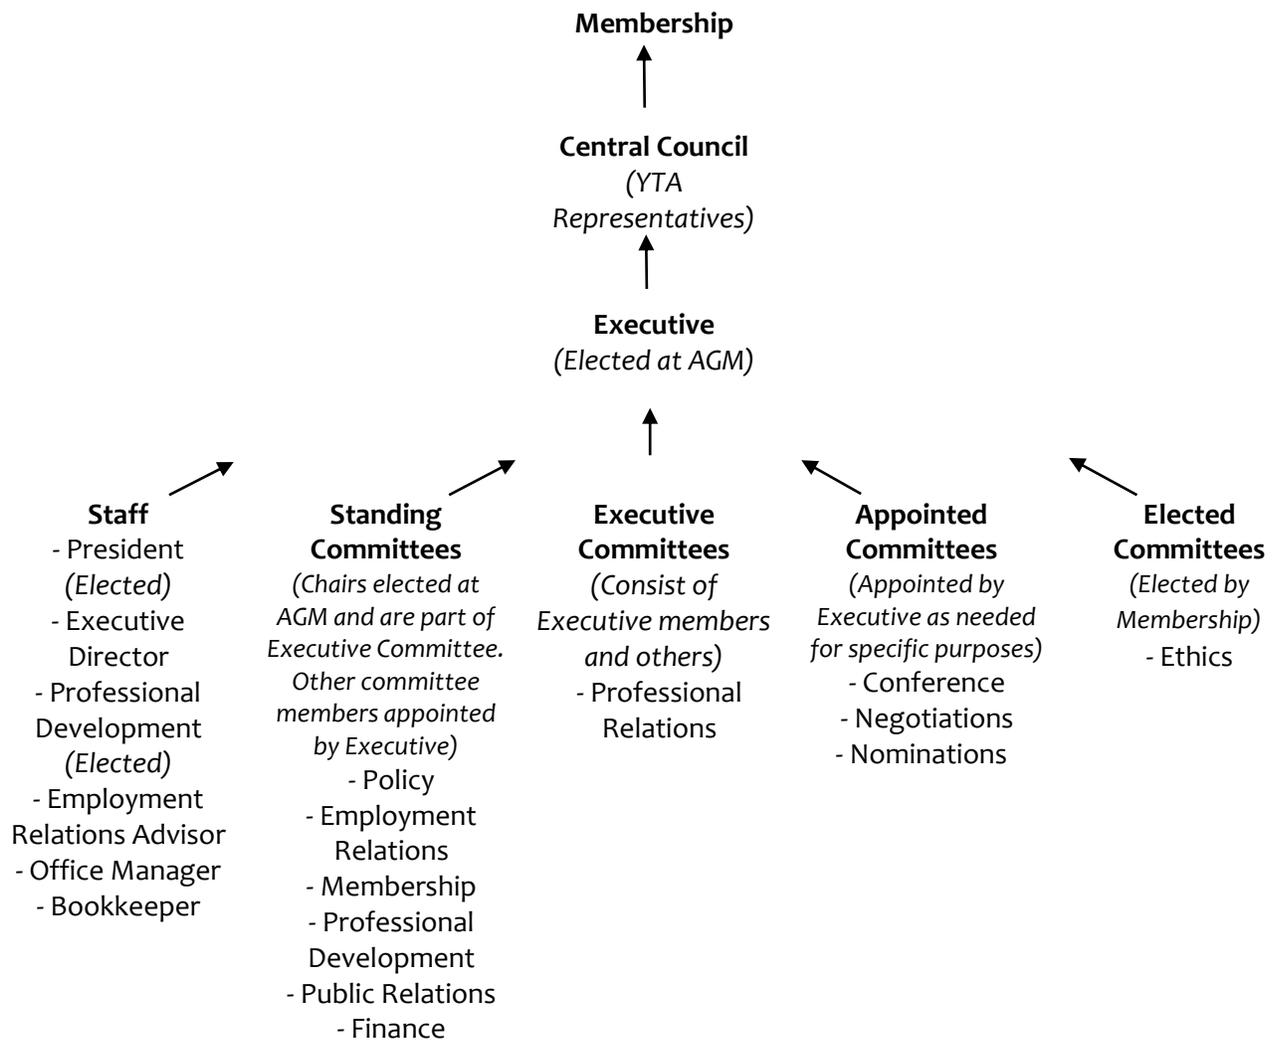

### **Policy & Procedures**

Much of YTA's business is guided by policies and procedures. These cover topics such as: the structure and duties of committees; travel and accommodation rates; financial matters; standing rules for General Meetings; legal services; and other organizational matters.

These policies are generally developed by the Executive Committee to assist in the management of the organization. Policies can also be developed and approved by Central Council and by the membership at General Meetings.

All of the governing documents can be found in the YTA Policy and Procedures Manual on the YTA website or can be requested by email. A hard copy will be made available in each school.

## Reporting Structure

YTA is also involved in a number of external or joint YTA/Yukon committees such as E-1 (Department/YTA Issues Committee), Joint Consultation, Group Insurance-benefits and the Joint Trust Fund Management Committee (PD).

## **Executive Committee**

As noted in the Bylaws, the Executive Committee exercises all the powers of the Association, the direction and supervision of its business, and the conduct of the affairs of the Association. Its decisions, however, are subject to any decisions made at general meetings of the membership or Central Council.

Members of the Executive Committee are the President, Vice President, a Past President, the Treasurer, and the Chairs of the following Standing Committees: Employment Relations; Policy; Professional Development; Membership; and Public Relations.

Some of the general duties of the Executive Committee include:

- Establish Executive Committees and appoint members to all YTA committees except for those elected by members at an AGM (see YTA Bylaws);
- Ensure the financial health and accountability of YTA;
- Appoint or dismiss non-elected staff;
- Hire legal support as needed.

## **Committees**

YTA has a number of committees that help it carry out its business and provide services to members.

Chairs of the following committees are elected by the membership: Employment Relations, Membership, Policy, Professional Development, Public Relations, and Finance (Treasurer). Except for the Ethics Committee, all other committee chairs and members are appointed by the Executive Committee.

For more information on the duties of each Committee, please see the *YTA Policy & Procedures Manual*.

## **Central Council**

As outlined in YTA's Bylaws, the Central Council is made up of the Executive Committee and representatives from each school or work site. The number of representatives depends on the size of the school (see formula in the YTA Bylaws).

The representatives are elected by members of the designated schools and act as a liaison between members in their respective schools or areas and the Central Council.

The Central Council meets at least twice a year. Its main responsibility is to consider any question affecting the Association (upon its own discretion or at request of the Executive) and direct the Executive accordingly.

For more information on the duties of the Central Council representatives, please see the *YTA Policy & Procedures Manual*.

## ***Membership Meetings***

The membership meets at least once a year in an Annual General Meeting. Special General Meetings may also be called. The Bylaws specify how these meetings are called.

Through these General Meetings, the membership:

- Elects members of the Executive (except the President) and members of the Ethics Committee;
- Adopts the Code of Ethics;????
- Amends the YTA Bylaws;
- Adopts reports of the standing committees.

The YTA Bylaws set out the details for how an AGM is organized and run. The AGM is held once a year, usually in the fourth week of April. It is a time for active members to review the business and finances of the association, elect the Executive Committee, make any changes to the Bylaws and conduct other needed business.

The Executive Committee can decide to hold a Special General meeting or one will be held if requested in writing by 20% of the active membership. Appropriate notice must be given to members, along with a clear statement of purpose. Such meetings may be called in order to determine policy, which cannot wait until the next AGM.

# YTA Collective Agreement

YTA bargains collectively for salaries and working conditions on behalf of its members. The *Education Labour and Relations Act* outlines the process and scope for bargaining.

The Collective Agreement, negotiated by YTA and the Government of Yukon (the employer), sets out the terms and conditions of employment related to salaries and working conditions of YTA members.

The Code of Ethics stipulates that members must adhere to collective agreements negotiated by the YTA.

A copy of the current agreement is available on the YTA website.

## Negotiating Committee

The Negotiating Committee is appointed by the Executive Committee. The Negotiating Committee must include the members of the Bargaining Team, and the YTA President or their designate. It also must be reflective of the diversity of the members of the Association.

The Committee is charged with preparing a negotiations package which the Executive approves. During the member ratification process, the Committee must also prepare information that includes the proposed amendments of the agreement and summarizes the tentative agreement for members.

The Committee, along with the Executive, hosts an open forum for members to discuss the Tentative Agreement, prior to a vote by the members of the Bargaining Unit. At the end of the bargaining process, the Committee provides a final report to the Executive.

For more information on the Committee's duties, please see the *YTA Policy & Procedures Manual*.

# Professional Development (PD)

## Overview

Professional Development (PD) provides a great opportunity for YTA members to build on their knowledge and expertise. It helps to improve professional growth and competence which in turn supports student learning.

YTA's PD program is based on the basic principle that educators' professional growth should be designed and facilitated by educators. We encourage members to invest in their own learning and development by accessing our funding.

### **Objectives of the PD Program**

- a) To provide an opportunity for professional growth of YTA members;
- b) To help members acquire new pedagogical knowledge and skills;
- c) To improve the quality of teaching through career-long professional development.

### **Where we get our funding**

The Professional Development Fund is determined by YTA's Collective Agreement. For example, in 2015 Yukon Education contributed \$460,000 to the fund. This includes funding for the full-time PD Coordinator.

The Fund is managed by a Joint Trust Management Committee which has two YTA members and two members from Yukon Education. Each year, this committee approves priorities for the fund.

### **How to apply**

Online application forms are found on the YTA website. Application deadlines vary depending on the type of PD being applied for.

YTA's PD Committee reviews each application that is received before the deadline. The PD Chair will send a letter within two weeks about the status of an application. If approved, a member would then apply to the Employer for a leave of absence (if applicable).

Successful applicants will receive information on how and when to submit their eligible expenses.

### **Who is on the PD Committee?**

The PD Committee is primarily made up of members of YTA. The Chair of the committee is elected at our Annual General Meeting and is a paid to coordinate the program. The Chair then looks for volunteers to sit on the committee and the Executive approves final participants. A representative of Yukon Education sits on the committee as well, as well as the YTA President.

### **Types of PD**

Our PD program supports a wide range of PD initiatives. These are summarized in the table on the next page.

**For more information please contact the PD office at YTA**

# YTA Supported Programs

## Project Overseas

Project Overseas is a joint endeavour by the Canadian Teachers' Federation (CTF) and its member organizations to give professional assistance to fellow-teachers in developing countries. For over fifty years, Canadian teachers have been committed to making a difference in the professional lives of teachers, and the education of students in developing countries through this program.

### **Purpose**

The purpose of Project Overseas is to improve the quality of education in Canada and the developing countries in which we work. Although the primary focus of Project Overseas is teacher professional development, the primary goal is improved teaching and learning for students around the world.

### **Overview of program**

Canadian teachers involved with Project Overseas, are responsible for providing professional development to under or untrained teachers through an in-service program offered by one of CTF's overseas partner organizations. They are also expected to share what they've learned upon return in Canadian schools and communities.

Most opportunities occur during the months of July and August. The travel and living expenses of participants are covered by the contributions from CTF members (provincial or territorial teacher organizations) and by a grant from the Canadian International Development Agency.

It is not possible, because of the nature of the Project, for CTF to include any members of the participant's family in any of the arrangements.

### **Minimum Requirements**

The minimum requirements for all applicants are as follows:

- a) Membership in a provincial or territorial teacher organization which is a member of CTF;
- b) An appropriate teacher's certificate;
- c) At least five years teaching experience in Canada;
- d) Canadian citizenship;
- e) Excellent health;
- f) Evidence of flexibility and mature judgment.

### **Application**

You can get forms from the YTA office. Applications must be returned by the first week of November. The final selection of teachers to participate in the project is made by the CTF from a list of names recommended by the YTA Executive.

The Association tries to give as many of its members as possible an opportunity to participate, so any members who have been successful candidates in the past will only be considered if there are no suitable first time applicants.

When three or more applicants meet the above criteria, preference will be given to first time applicants. The length of service with Yukon Education and in-service planning and presentation experience will also be weighed.
